

Poseidon Marine

Fire & Safety Word Wide Service

www.poseidontr.net

www.poseidontr.net

POSEIDON MARINE and its employees are currently based in İstanbul, supplying our products to shipping companies, ship owners, shipyards, as well as ship dealers and agents throughout the TURKEY & ALL AROUND THE WORLD .

At Poseidon Marine ,we aim to provide every customer with a service with quality products and competitive prices.

We would like to provide you the most trustable information for your orders, your ships or your fleet about all our products.

It is always our aim to catch the latest technology and information to our country with dynamic staff. We have never left working with Specialist Engineers and qualified staff in our technical and commercial applications to reduce the risk to minimum in living spaces and industrial areas. We are always targeting to improve our service quality and gain more customer satisfaction. We work understanding of combination of the cooperation with the world's most famous companies and our manufacturing opportunities.

The cost of safety increases as the risk of casualties increase; however when compared to the losses of casualties; this cost is very economical. Working in close partnership with top manufacturers all over the world, we offer high quality, cost-effective and tailor made solutions to our customer's needs.

We take pride in what we have achieved with our the most experienced team..

CERTIFICATE OF Recognized External Specialist

This is to certify that

Poseidon Marine Deniz Hiz.ve End.Urun San.Dis.Tic.

located at

Evllya Celebi Mah.Tuzla Gemi Yan San.Sitesi E-Blok No:1/9 Tuzla,Istanbul/TUR

having been audited by ABS and having given a satisfactory practical demonstration of the service listed below, is recognized by ABS as a Service Provider to provide services which ABS Surveyors may rely on to make decisions affecting classification or statutory surveys.

Servicing and Maintenance of Lifeboats, Launching Appliances, On-Load Release Gears and Davit-Launched Liferaft Release Hooks

It is the responsibility of the Service Provider to employ, train and quality persons in the service provided. If the service requires approval from manufacturers, the service provider is responsible to maintain contact with the manufacturer and maintain any service manuals up to date. Where required by the category of service, specialists shall provide valid evidence that it is authorized or licensed by the equipment manufacturer to service the particular makes and models of equipment for which approval is sought. If approval from the manufacturer is not attained, a surveyor must be present at time of survey to continue work. Alternatively, current written instructions from the flag state are to be obtained to continue work without the surveyor present. Service technicians must present photo identification, evidence of qualification and authorizations from manufacturers, as applicable, at the time of service.

The ABS office issuing this certificate is to be kept updated with changes to the management of the company, its employees, equipment and models on the authorization list and any changes made.

See enclosed Appendix for scope of approval, authorized personnel, manufacturer authorizations, and subcontractors, etc.

PANAMA
MARITIME AUTHORITY

APPROVAL FOR
SERVICE PROVIDERS FOR LIFEBOATS,
LAUNCHING APPLIANCES AND ON-LOAD RELEASE GEAR

Approval Doc. No.: 03112021-464

Company: **"POSEIDON MARINE DENİZ HİZMETLERİ VE ENDÜSTRİYEL ÜRÜNLER SANAYİ DİŞİ TİCARET LIMITED SİRKET" (İSTANBUL, TURKEY)**

This Approval letter is to confirm that the abovementioned company fulfills the requirements set in Resolution MSC.402 (96) of 19 May 2016 "Requirements for Maintenance, thorough Examination, Operational Testing, Overhaul and Repair of Lifeboats and Rescue Boats, Launching Appliances and Release Gear" (adopted by Panama through Resolution No. 106-OMI-209-DGMM), which are used when applying the relevant provisions of SOLAS Regulation III/20.

Approval Condition: This Administration accepts or recognizes "POSEIDON MARINE DENİZ HİZMETLERİ VE ENDÜSTRİYEL ÜRÜNLER SANAYİ DİŞİ TİCARET LIMITED SİRKET" (İSTANBUL, TURKEY) as service provider for lifeboats, launching appliances and on-load release gear. Please note that this approval letter is only valid if the Panama Maritime Authority holds up-to-date information from the Company, such as ISO accreditation or documentation regarding service engineer qualifications for example. Updated recommendation may be required for re-approval. The Panama Maritime Authority maintains the right to withdraw the approval at any time should it be considered that the company no longer meets the approval requirements.

Company approved through Resolution No.106-025-DGMM

Panama Maritime Authority

David Bernard
Segumar Panama

Notes: 1. The approval will be automatically suspended and the approval document becomes invalid from the expiry date in the event that the extension has not been granted or is not under attendance for compliance of the re-approval.

Doc. No. ASP-194-063020

THE REPUBLIC OF LIBERIA
LIBERIA MARITIME AUTHORITY

AUTHORIZATION OF SERVICE PROVIDER

Issued under the provisions of Regulation 20.11.5 of Chapter III of International Convention for the Safety of Life at Sea, 1974, as amended, by the Commissioner of Maritime Affairs of the Liberia Maritime Authority to

POSEIDON MARINE DENİZ HİZMETLERİ VE ENDÜSTRİYEL URUNLER SANAYİ DİŞ TİCARET

**Evliya Celebi Mah, Ferah Sok
Tuzla Gemi Yan Sanayi Sitesi
E Blok Tuzla, İstanbul
TURKEY**

The above listed service provider has been audited and authorized to perform maintenance, thorough examination, operational testing, overhaul and repair of lifeboats and rescue boats, launching appliances and release gear on Liberian flagged vessels subject to the following conditions:

- The service provider shall maintain a valid Approved Service Supplier Certificate issued by a class society recognized by the Liberian Administration verifying that the provider meets the requirements of Resolution MSC.402(96)
- Service engineers shall have valid Qualification Certificates issued by the equipment manufacturer or by the Approved Service Provider to whom this Authorization Document was issued. The Qualification Certificate must define the service engineer's level of qualification and the scope of the certification (e.g., makes and types of equipment).
- The service provider must possess and shall maintain valid manufacturers' authorization certificates for all equipment to be inspected and serviced.

A copy of this Document shall be attached to each report of maintenance, thorough examination, operational testing, overhaul and repair of lifeboats, rescue boats, launching appliances and on-load release gear carried out on Liberian flagged ships. A copy of the Qualification Certificate for the service engineer(s) who inspected and/or serviced the equipment shall also be attached to the report.

A copy of this Document and the applicable manufacturer's authorization shall be provided to the shipowner and the vessel's class society prior to carrying out services on a Liberian flagged ship.

This is to confirm that the service provider has been authorized to perform maintenance, thorough examination, operational testing, overhaul and repair of lifeboats and rescue boats, launching appliances and release gear on Vanuatu flagged vessels, subject to the following conditions pending audit of the service provider for compliance with Resolution MSC.402(96):

- The service provider shall maintain a valid Approved Service Supplier Certificate issued by an IACS member recognized by VMSL verifying that the provider meets the requirements of MSC.1/Circular 1209/Rev.1.
- Pursuant to FSL 121819.GEN, the service provider must undergo an audit for compliance with Resolution MSC.402(96) not later than 24 July 2021, the expiration date of the Certificate of Approval No. ITB0/SKG/20180810140328 issued by Bureau Veritas.
- Service engineers shall have valid Authorization Certificates, issued by the Approved Service Provider or by the equipment manufacturer, which defines their level of qualification and the scope of the certification (e.g., makes and types of equipment).
- The service provider shall maintain valid manufacturers' authorization certificate for all equipment to be inspected and serviced.

Authorized Service Provider: POSEIDON MARINE
